Scopes

Call on scope and mount prices for your custom barrel order. Our prices are competitive and we will also mount and bore-sight ordered scopes for you at your request for no additional cost.

Trigger Adjustments

Original Contender®, G2®, Encore® & ProHunter® action trigger adjustments are available for \$60 plus return shipping. Send your frame with a signed request stating the specific pull you would like. We will not only set the pull, but lessen the felt creep by creating a glass-smooth sear surface for optimum engagement, as well as install an over-travel screw if needed. Actions ordered with our custom barrels can include a trigger adjustment for just \$25.

SPECIAL NOTES FOR GENERAL ORDERING

- The steel hanger bar on which our custom forearms mount is included with all standard barrel purchases at no extra charge - this is our way of ensuring that you get the best accuracy out of your Bullberry barrel. Purchased separately hanger bars are \$12 including all necessary attachment hardware; specify standard or long bar (for T/C Contender carbine & rifle barrels).

- If you would like to purchase an action from us and are outside the state of Utah we require a Federal Firearms License from a dealer within your state in order to process the appropriate action transfer and complete delivery. Such orders within Utah must be completed in-house or will be sent to local FFL-holding dealer for transfer.

- Payment on all orders can be made by Visa, MasterCard, American Express, Discover Card, personal check, Money Order or Cashier's Check.

ADDITIONAL PRODUCTS & SERVICES

Call with your wishes on a custom rifle or pistol. We will do the woodwork, metal work, or the entire job from start to finish. You may furnish an action and we will be happy to work up a custom gun that best suits your needs.
